

San Miguel Fire & Rescue

Service Beyond Expectations

Staff Report

Date: June 14, 2023
To: Board of Directors
From: Jon Newman, Deputy Fire Marshal
Subject: State Mandated Inspections per SB 1205 and California HSC 13146.4

Background

The California State Fire Marshal, through the California Health and Safety Code, mandates certain occupancies be inspected annually. Sections 13146.2 and 13146.3 of the Health and Safety Code specifically mandate that every hotel, motel, lodging house, apartment building, certain residential care facilities, and public and private schools be inspected annually. Since the Ghost Ship warehouse fire in Oakland in 2016 which killed 36 people, grand jury investigations revealed that the State required annual inspections on various occupancies, but the inspections were not mandated to be reported to any governing body.

Senate Bill 1205, authored by Senator Jerry Hill, became effective September 27, 2018. It adds Section 13146.4 to the Health and Safety Code which, in part, reads:

- (a) Every city or county fire department, city and county fire department, or district required to perform an annual inspection pursuant to Sections 13146.2 and 13146.3 shall report annually to its administering authority on its compliance with Sections 13146.2 and 13146.3.
- (b) The report made pursuant to subdivision (a) shall occur when the administering authority discusses its annual budget, or at another time determined by the administering authority.
- (c) The administering authority shall acknowledge receipt of the report made pursuant to subdivision (a) in a resolution or a similar formal document.
- (d) For purposes of this section, "administering authority" means a city council, county board of supervisors, or district board, as the case may be.

The San Miguel Fire Protection District has 335 State-mandated residential and educational occupancies, of which 335 have been inspected in the last twelve months from the period starting June 8, 2022 and ending June 14, 2023. That is a completion rate of 100%.

Fiscal Impact

None.
